

### 365 Payment Processing Terms

These 365 payment processing terms (the “**Processing Terms**”) form an agreement between the Customer and 365 Retail Markets, LLC and Avanti Markets, LLC (collectively “**365**”) for the supply of processing services to facilitate the acceptance of Card payments (collectively, the “**Payment Processing Service**”). These Processing Terms govern the authorization, conveyance and settlement of Transactions utilizing the Payment Processing Service. By entering into these Processing Terms, Customer is agreeing to comply with Payment Network Rules as they pertain to payments Customer receives through the Payment Processing Service. Capitalized terms not otherwise defined in the body of these Processing Terms are defined in the Glossary at the end.

Bank is not a party to these Processing Terms, but it is a third party beneficiary hereunder and entitled to enforce the terms hereof versus Customer.

#### 1. Payment Network Rules and Acceptance Requirements.

Customer shall comply with all Payment Network Rules applicable to Customer, such as they are from time to time, and such other procedures as 365 establishes relating to Customer’s acceptance of Cards. Without limitation, Customer agrees:

#### 2. Bona Fide Transactions.

Customer shall not submit any Transaction that is not a good faith Transaction. A “good faith” Transaction means a Transaction that is (i) between the Customer and its End User, (ii) for the sale of goods and/or services (or a refund for such a sale) that are Customer’s property or that Customer has the legal right to sell, (iii) submitted on behalf of Customer (and not on behalf of any third party), and (iv) legal, authorized by the End User, non-fraudulent or otherwise damaging to the Payment Network(s), and (v) enforceable, collectible, and in full compliance with these Processing Terms, applicable law, and the Payment Network Rules.

#### 3. Minimum/Maximum Thresholds For Card Acceptance; Surcharges.

Except as expressly permitted by law, Customer shall not (i) set a dollar amount above or below which Customer refuses to honor Cards or (ii) impose or require the End User to pay any fee or charge (including, without limitation, any surcharge or finance charge or any of the fees payable by Customer under these Processing Terms) in connection with or as a condition of the use or acceptance of a Card.

#### 4. Payment Processing Service Provider.

Subject to the Payment Network Rules, 365 reserves the right to provide some or all of the Payment Processing Service through its affiliates and/or other third party service providers.

#### 5. Taxes.

Customer shall not add any tax or surcharge to Transactions, unless applicable law expressly allows or requires the Customer to impose such tax or surcharge. If any tax or surcharge amount is allowed, such amount shall be included in the Transaction amount and shall not be collected separately.

#### 6. Use of Card Account Information.

If Customer collects, stores, uses or discloses any Card Information, Customer shall comply with the Security Standards, including but not limited to, the Payment Card Industry Data Security Standards (“**PCI DSS**”) and shall provide a qualified third party certification of such compliance, when requested by 365. Customer shall use only Third Party Servicers that are compliant with Security Standards in connection with the storage, processing, or transmission of Card Information.

Customer shall not request or use Card Information for any purpose except in respect of payment for its goods or services or to provide a refund for goods or services previously sold, unless required by the Payment Network Rules. Customer agrees that: (i) it will not use the Card Information for any purpose that it knows or should know to be fraudulent or in violation of any Payment Network Rules; (ii) it will not sell, purchase, provide or exchange in any manner or disclose Card Information to anyone other than 365, Bank, any Payment Network, or in response to a government request; and (iii) it will be compliant with the Security Standards and will cooperate in a forensic investigation if so required.

Customer has exclusive responsibility for security of Transaction Data and other information on Customer systems or those under its control. Customer shall comply with all applicable laws, Payment Network Rules, and rules in connection with Customer collection, storage and disclosure of any personal, financial, or Transaction information.

Customer shall maintain adequate security so as to prevent a breach of Transaction Data. In the event of any actual or suspected breach of data in possession or control of Customer or one of its Third Party

Servicers, Customer shall immediately notify 365 thereof and also comply with all applicable laws and Payment Network Rules concerning the breach.

Customer shall obtain from each End User all consents required under the Payment Network Rules and applicable law for the collection, use, storage and disclosure of any and all information provided by End Users or obtained by Customer or its agents or Third Party Servicers under the Customer relationship with its End User or otherwise. Customer shall indemnify and hold 365 and Bank harmless from and against any liability arising on account of or in relation to the failure by Customer to obtain such consents from End Users.

Customer grants 365 and Bank the right to collect, store, use and disclose all Transaction Data in order to provide the Payment Processing Service, which shall occur subject to the 365 privacy policy posted at the 365 Site.

#### 7. Authorizations and Transactions.

Customer shall obtain an authorization through the Payment Processing Service (each an “**Authorization**”), in accordance with these Processing Terms, for each Transaction. 365 reserves the right to refuse to process any Transaction Data presented by Customer unless it includes a proper authorization.

Customer shall not submit a Transaction for any purpose other than a current Transaction. Transactions shall not represent the collection of a dishonored check or the collection, transfer or refinancing of any existing or prior debt or obligation. Customer shall not attempt to recharge an End User for an item that has been the subject of a Chargeback by the End User, even with the End User’s consent. Customer agrees to submit a single Transaction for the full amount of each sale. Customer shall not split a single Transaction into two (2) or more Transactions, except to allow for partial payment by prepaid or gift Card. Customer shall not submit any Transaction which it knows or should have known is unenforceable or uncollectable.

#### 8. Time of Payment.

At the time Customer accepts a Card for any goods or services, the goods shall have been provided or shipped or the services actually rendered to the End User, except as specifically stated otherwise in the Application.

#### 9. Cash Advances.

Customer shall not disburse or advance any cash to an End User (except as authorized by the Payment Network Rules) or to itself or any of its representatives, agents, or employees in connection with a Transaction, nor shall Customer accept payment for effecting credits or issuing refunds to an End User.

#### 10. Discrimination.

Unless permitted by the Payment Network Rules, Customer shall not engage in any practice that unfavorably discriminates against or provides unequal treatment of any Payment Network relative to any other Payment Network.

#### 11. Refunds/Credits.

Any Transaction submitted to Bank to credit an End User’s Card account represents a refund for a prior Transaction submitted to Bank using the same Card. Customer shall maintain and publish a return/refund policy described in reasonable detail which shall apply equally to all Card Transactions.

#### 12. Installment Plans.

Unless specifically stated in its Application or otherwise approved in writing by 365 in advance, Customer shall not accept Cards in connection with installment sales plans. If the End User pays in installments or on a deferred payment plan, as previously approved by 365, a Transaction Data record has been prepared separately for each installment transaction or deferred payment on the dates the End User agreed to be charged. All installments and deferred payments, whether or not they have been submitted to 365 for processing, shall be deemed to be a part of the original Transaction.

#### 13. Recurring Transactions (such as Subscription Plans).

For recurring Transactions, if any, Customer must (i) obtain the End User’s consent to periodically charge the End User on a recurring basis for the goods or services purchased; (ii) retain this permission for the duration of the recurring services and provide it upon request to 365, Bank, or the issuing bank of the End User’s Card; and (iii) retain written documentation or electronic substitutes acceptable under applicable law specifying the frequency of the recurring charge, and the duration of time during which such charges may be made, and the amount or range of amounts that may be charged. Customer shall not submit any recurring transaction after receiving: (i) a cancellation notice from the End User (so long as such notice was timely provided three (3) or more days prior to the anticipated Transaction date); or (ii) notice from 365, Bank or any Payment Network that the Card is not to be honored. Customer shall include in its Transaction

Data the indicator that the Transaction is a recurring Transaction.

14. Customer Identification.

Customer agrees to prominently and unequivocally inform the End User of the identity of the Customer at all points of interaction.

15. Payment Network Marks.

Customer is authorized to use the Visa and MasterCard logos or marks only on Customer's promotional materials and website to indicate that Visa and MasterCard cards are accepted as funding sources for Transactions processed with the Payment Processing Service.

16. Chargebacks.

Customer shall use all reasonable methods to resolve disputes with the End User. Should a Chargeback dispute occur, Customer shall promptly comply with all requests for information from 365, Bank or a Payment Network. Customer shall not attempt to recharge an End User for an item that has been charged back, even with the End User's consent. Customer has full liability for the amount of any and all successful Chargebacks (and may have conditional liability for such Chargebacks prior to their final adjudication pursuant to the Payment Network Rules).

17. Refunds.

Customer is required to maintain a refund policy if Customer limits refund or exchange terms or other specific conditions for Card Transactions. Customer's policy must be clearly provided to the End User prior to the sale and as part of the sale confirmation process. Proper disclosure would include wording that is prominently displayed and states "NO REFUND, EXCHANGE ONLY" or something similar and includes any applicable terms. Qualifying Customer's refund or exchange terms does not completely eliminate Customer's liability for a refund because consumer protection laws and Payment Network Rules frequently allow the End User to still rightfully dispute these items. If, under Customer's refund policy, Customer allows a refund, Customer shall implement such refund within three (3) days of approving the End User's request for such refund or such shorter time as applicable law may require. The amount of a refund cannot exceed the amount shown as the total on the original Transaction Data except by the exact amount required to reimburse the End User for shipping charges that the End User paid to return merchandise. Customer shall not accept any payment from an End User as consideration for issuing a refund.

18. Settlement.

19. Settlement Funds.

Subject to 365' rights under these Processing Terms and the Payment Network Rules, settlement funds received from Payment Networks for Customer pursuant to these Processing Terms (the "**Settlement Funds**") are received by 365 or Bank, in its capacity as the acquiring bank for settlement to the Deposit Account of the Customer. When held by Bank prior to settlement, such funds will not constitute a deposit, will bear no interest, charges or fees, and may not be eligible for insurance from the Federal Deposit Insurance Corporation.

In the event 365 takes possession of Settlement Funds, Customer appoints 365 as its agent for such purpose and shall release End User from any liability in respect thereof.

If Customer is party to a Third Party Servicer Processing Terms, Customer hereby directs 365 and Bank to settle the fees applicable under the Third Party Servicer Processing Terms (the "**Third Party Servicer Fees**") directly to the Third Party Servicer designated by Customer, as offsets from Settlement Funds payable to Customer under these Processing Terms. Customer hereby directs 365 to obtain from each such Third Party Servicer such information as is necessary to calculate and cause Bank to split Customer settlements hereunder to pay such fees. Third Party Servicer shall be a third party beneficiary under these Processing Terms in respect of this provision entitled to enforce this provision versus the Customer. If the Third Party Servicer Fees exceed the Settlement Funds in any given settlement, none of 365 or Bank shall be under any obligation to settle any amount to Third Party Servicer that would not otherwise be owing hereunder as Settlement Funds.

21. Settlement Calculation.

Transaction settlement will generally be based on gross sales, less credits /refunds, adjustments, the applicable fees due 365, Chargebacks, returns, refunds and any other amounts that Customer owes 365,

Bank or Payment Networks.

## 22. Provisional Debit / Credit.

All deposits, credits, and other payments to the Deposit Account are subject to our final audit, Chargebacks, returns, reversals and Payment Network's imposed dues, assessments, fees and fines. THE END USER OF THE CUSTOMER IN EACH TRANSACTION IS NAMED AS A THIRD PARTY BENEFICIARY UNDER THIS AGREEMENT WITH THE CUSTOMER SO THAT THE END USER CAN ENFORCE THE TERMS HEREOF AGAINST THE CUSTOMER IN SO FAR AS THE CUSTOMER ATTEMPTS TO COLLECT A GIVEN TRANSACTION PAYMENT ALREADY MADE TO 365. #### 43. Governing Law; Waiver of Jury Trial; Arbitration.

These Processing Terms will be governed by and construed in accordance with the laws of the State of Michigan without reference to conflict of law provisions. Any action, proceeding, arbitration hearing or mediation relating to or arising from these Processing Terms must be brought, held, or otherwise occur in the State of Michigan. PLEASE READ THIS PROVISION CAREFULLY. IT PROVIDES THAT ANY CLAIM MAY BE RESOLVED BY BINDING ARBITRATION AND THAT (i) Customer IS GIVING UP ITS RIGHT TO HAVE A TRIAL BY JURY TO RESOLVE ANY CLAIM ALLEGED AGAINST 365, Bank, OR RELATED THIRD PARTIES; (ii) Customer IS GIVING UP ITS RIGHT TO HAVE A COURT RESOLVE ANY CLAIM ALLEGED AGAINST 365, Bank OR RELATED THIRD PARTIES; (iii) Customer IS GIVING UP ITS RIGHT TO SERVE AS A REPRESENTATIVE, AS A PRIVATE ATTORNEY GENERAL, OR IN ANY OTHER REPRESENTATIVE CAPACITY, AND/OR TO PARTICIPATE AS A BANK OF A CLASS OF CLAIMANTS, IN ANY LAWSUIT OR ARBITRATION FILED AGAINST 365, Bank AND/OR RELATED THIRD PARTIES. Any claim, dispute, or controversy ("**Claim**") by either Customer, 365 or Bank against the other, or against the officers, directors, employees, agents, parents, subsidiaries, affiliates, beneficiaries, agents, successors, or assigns of the other, arising from or relating in any way to these Processing Terms or to the relationship formed between the parties as a result of these Processing Terms, including Claims regarding the applicability of this arbitration clause or the validity of the entire Processing Terms, shall be resolved exclusively and finally by binding arbitration administered by the American Arbitration Association ("**AAA**") in the County in, Michigan where 365 is located. All Claims are subject to arbitration, no matter what theory they are based on. This includes Claims based on contract, tort (including intentional tort), fraud, agency, Customer's, 365' or Bank's negligence, statutory or regulatory provisions, or any other source of law. Claims and remedies sought as part of a class action, private attorney general, or other representative action are subject to arbitration on an individual (non-class, non-representative) basis only, and the arbitrator may award relief only on an individual (non-class, non-representative) basis. Customer and 365 will agree on another arbitration forum if the AAA ceases operations. The arbitration will be conducted before a single arbitrator and will be limited solely to the Claim between Customer and 365 and/or Bank. The arbitration, or any portion of it, will not be consolidated with any other arbitration and will not be conducted on a class-wide or class action basis. The prohibition against class action contained in this Section shall be non-severable from the remainder of this Section. If either party prevails in the arbitration of any Claim against the other, the non-prevailing party will reimburse the prevailing party for any fees it paid to the AAA in connection with the arbitration, as well as for any reasonable attorneys' fees incurred by the prevailing party

in connection with such arbitration. Any decision rendered in such arbitration proceedings will be final and binding on the parties, and judgment may be entered in a court of competent jurisdiction. Rules and forms of the AAA may be obtained and Claims may be filed at any [AAA office](#), [www.adr.org](http://www.adr.org), or 335 Madison Avenue, New York, NY 10017, telephone 1-800-778-7879. This arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16. This arbitration agreement applies to all Claims now in existence or that may arise in the future. Nothing in these Processing Terms shall be construed to prevent any party's use of (or advancement of any Claims, defenses, or offsets in) bankruptcy or repossession, replevin, judicial foreclosure or any other prejudgment or provisional remedy relating to any collateral, security, or other property interests for contractual debts now or hereafter owned by either party to the other. IN THE ABSENCE OF THIS ARBITRATION AGREEMENT, Customer MAY OTHERWISE HAVE HAD A RIGHT OR OPPORTUNITY TO LITIGATE CLAIMS THROUGH A COURT BEFORE A JUDGE OR A JURY AND/OR TO PARTICIPATE OR BE REPRESENTED IN LITIGATION FILED IN COURT BY OTHERS (INCLUDING CLASS ACTIONS), BUT EXCEPT AS OTHERWISE PROVIDED ABOVE, THOSE RIGHTS, INCLUDING ANY RIGHT TO A JURY TRIAL, ARE WAIVED AND ALL CLAIMS MUST NOW BE RESOLVED THROUGH ARBITRATION.

In such event, the relationship created by these Processing Terms may be terminated and other remedies available under these Processing Terms or otherwise may be sought.

#### 45. Force Majeure.

Neither 365 nor Bank will be liable for delays in processing or other non-performance caused by events such as fires, telecommunications failures, utility failures, power failures, equipment failures, labor strife, riots, war, terrorist attack, non-performance of our vendors or suppliers, acts of God, or other causes over which the respective party has no reasonable control, except that nothing in this provision will affect or excuse Customer's liabilities and obligations for Chargebacks, refunds, or unfulfilled products and services.

#### 46. Amendment.

These Processing Terms may be amended at any time by 365 upon thirty (30) days notice to you. Notwithstanding the foregoing, in the event the terms of these Processing Terms must be amended pursuant to a change required by the Payment Network Rules or any third party with jurisdiction over the matters described herein, such amendment will be effective immediately. It is agreed that no party will represent itself to be the joint venturer, co-owner, partner, employer or employee of another party. The parties agree that, except as specifically provided in these Processing Terms, no party grants any other party the power or authority to make or give any agreement, statement, representation, warranty or other commitment on behalf of another party, or to enter into any contract or otherwise incur any liability or obligation, express or implied, on behalf of another party, or to transfer, release or waive any right, title or interest of such another party.
