

365Pay App

Payments and Loyalty for Vending Customers

Easy vending payments with 365Pay

Let your customers checkout at your vending machines with the 365Pay mobile app. Streamline checkout through an easy purchase process and build loyalty through robust rewards programs.

Easy Checkout

Increase sales through rapid checkout

- ▶ Let customers use a stored value account (GMA) for payment on vending machines
- ▶ Boost your sales by expanding your payment options with mobile checkout
- ▶ Enable touchless purchases and provide instant receipts to your end-users

Loyalty & Rewards

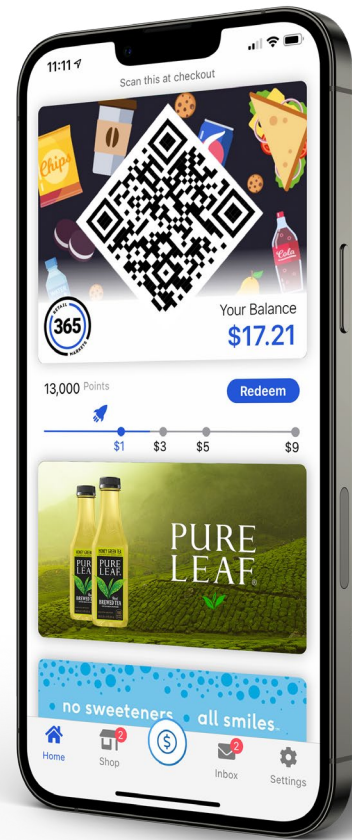

Inspire repeat purchases

- ▶ Reward repeat customers with custom promotions
- ▶ Inspire loyalty by letting customers earn points with every purchase
- ▶ Increase customer engagement via easy redemption and a robust UI

Connected CampusSM

One app - all your points of sale

- ▶ The 365Pay app provides a single stored value account for all your points of sale
- ▶ Reward customers for purchases across vending, micro market, and other business lines
- ▶ Create a connected campus environment that allows for easy customer purchases

Effectively serve your vending customers
